The Logistics of Logistics Introductory Executive and Sales Coaching Package
\$1500 Value
Introductory Special: \$1100

Objective: To help logistics managers, executives, and sales personnel identify strengths and account for blind spots, develop a personal brand, and learn how to effectively leverage themselves through improved communication and influence, use of social media, and enhanced sales strategies.

What is included in the Package:

- Online Personality Assessment and Executive Coaching session to Interpret the Results: What are the strengths and blind spots associated with your personality? Why does it matter?
- 360 Personal Branding Assessment and Executive Coaching session: How do others see you? What are you known for?
- 3 additional Executive Coaching sessions choosing from the following topics:
 - Communication and Influence
 - Social Media
 - Leveraging LinkedIn
 - Strategies to Use in the Sales Process
 - A topic of your choice

Investment: The investment for this introductory offer is \$1100 which includes both assessments with coaching sessions and a total of 3 additional coaching sessions.
